CATALOGUE

Since 1993, Naturtex has been designing and manufacturing fabrics and carpets, combining harmoniously tradition and innovation.

In order to innovate and create new and extraordinary products, Naturtex is constantly evolving, experimenting with new materials and technologies.

We offer our custom fit service, as the best way to collaborate closely with architects and interior designers to make their ideas and projects a reality.

Origins

Naturtex has a proud legacy rooted in the traditional textile and footwear industry of the enterprising Valencian region, where we are based. However, we also have a strong focus on the future, constantly innovating and pushing the boundaries of what's possible with natural fiber textiles.

Materials

This legacy, combined with our vocation for the future and commitment to constant innovation, has allowed Naturtex to strike a unique balance between tradition and innovation. We remain true to our origins, but always with our sights set on progress and the latest trends.

Our extensive range of fabrics spans from natural fibers like linen and raffia to more contemporary materials such as high-quality polyester. This diversity allows us to cater to a variety of needs in interior design projects, from residential to commercial and hospitality spaces.

Inspiration

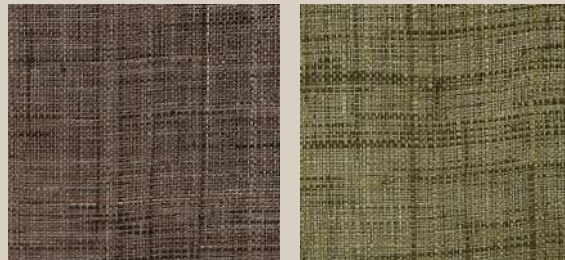

At Naturtex, we believe in the importance of collaboration and customization. We work closely with designers and industry professionals to create tailored solutions that meet the specific requirements of each project. This enables us to offer an exceptional level of flexibility and personalization in our products.

Be creative

Explore a world of creative possibilities with Naturtex fabrics. Our textiles offer a range of textures, colors, and materials that inspire innovation in design projects of all kinds.

The unique textures of our fabrics add depth and character to your creations. From the softness and elegance of linen to the warmth and authenticity of natural raffia, each fabric tells its own story. What story do you want to tell in your next project?

The colors in our palette are an invitation to creativity. From soft, neutral tones that create serene atmospheres to bold colors that make bold statements, our fabrics provide the perfect canvas to express your vision.

Textures & colours

Our materials are as versatile as your imagination. From upholstery that embraces with comfort to wall coverings that transform spaces, to lamps that play with light and shadow, Naturtex fabrics adapt to any creative challenge.

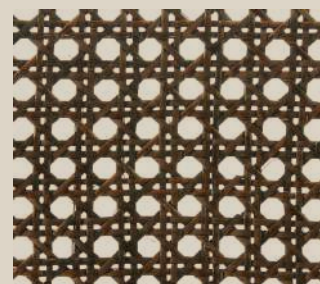

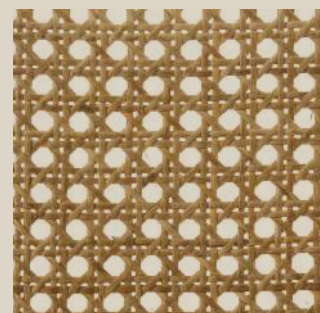

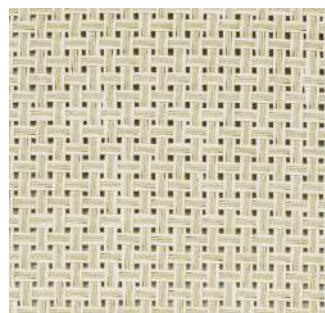

So, what project do you have in mind? Dive into the diversity and quality of our fabrics and discover how Naturtex can bring your boldest ideas to life. Creativity knows no bounds when you work with materials as inspiring as ours.

At Naturtex, we don't just manufacture fabrics; we create unique experiences and atmospheres. We're passionate about the art of weaving and braiding, where skilled hands meticulously craft not just textiles but also textures. It's in these intricate patterns and tactile qualities that we find our inspiration, allowing us to offer you a diverse array of fabric collections. We're excited to be part of your creative journey and look forward to inspiring you with our exceptional fabric collections, each one telling its own story through the artistry of texture and design.
